

# Special Event Form

This form is to be completed for all team events other than practices or games. No approval will be issued for Special Events, but please note that Red Deer Minor Hockey discourages paintball, tobogganning/tubing and airsoft events.

The **ONLY** skaters allowed on the ice are coaches and players that have been registered with Hockey Alberta (on the team roster). Practicing on outdoor ice can prove difficult as you can only skate at the skate shack not the ice.

**Date of Application**
