## **Appendix I: Team Social Contract Template**

Team: \_\_\_\_\_

Season: \_\_\_\_\_

Head Coach: \_\_\_\_\_

Red Deer Ringette strives to provide your child with the best athletic experience possible. In some cases, the need to set season expectations is part of creating that experience. While all members of Red Deer Ringette are required to adhere to our policies such as the Code of Conduct, there are instances where teams may feel a need to formalize team norms for players and parents outside of those policies.

This team social contract template was created to provide a starting point for teams to develop and document those additional expectations. By having team members confirm their commitment to these expectations, it is hoped that issues dealing with sportsmanship, number of competitions/tournaments, harassment, hazing, and cyberbullying as they pertain to this team are minimized or eliminated.

### **As a player on this team, I agree to the following:**

1. Add team norms in this list.

Players who do not exhibit any of the above behaviors may be suspended from team functions, practices and/or tournament & league competitions for a period of time as determined by Team Coaches.

Additionally, the player may face RDR Association sanctioning from participation for portions and/or entirety of a season as deemed by the RDR Executive Committee.

### **As a parent/spectator for this team, I agree to the following (examples below, edit as required):**

1. I will conduct my behaviour in a way that reflects the spirit of good sportsmanship and does not reflect poorly on RD Ringette:
  - a. Demonstrate good sportsmanship.
  - b. Respect, cooperate, and respond enthusiastically to cheering for all on-ice participants.
  - c. Censor fellow spectators who display negative behavior.
  - d. Respect the property of the facilities our players use throughout the season.
  - e. Never heckle, jeer, or distract members of opposing teams.
  - f. Never criticize the athletes or coaches for the loss of a contest.
