

RED DEER RINGETTE CRIMINAL RECORDS CHECK REQUEST

September 1, 2018

The Red Deer Ringette Association is a non-profit organization based in Red Deer, Alberta that provides an opportunity for young girls aged 4-18 to participate in the sport of Ringette.

One of the specific requirements that we expect from all of our coaches is that they provide a completed copy of a current Criminal Records check to our Executive prior to the beginning of each season.

We have requested that all coaches apply for this Criminal records check at their local Detachment of the R.C.M.P., or at the Lacombe Police Service.

Due to the specific nature of this request, and since we are a non-profit youth organization, we request that the charge for these criminal record checks be waived. All of these positions are filled with unpaid volunteers.

Thank you.

Chris McCullough
Director of Coaching
