RICHMOND JETS SPRING HOCKEY ANNOUNCEMENT

The Richmond Jets Minor Hockey Association is pleased to announce that a variety of spring programs will be offered this coming Spring 2019. The RJMHA Spring Hockey Committee is currently finalizing the program contents, including exact cost, ice times, coaches, skill providers, session dates, etc. We ask that you remain patient as we proceed through the administrative requirements, while at the same time we ask that you let us know your child's interest in spring hockey. Once we have a better idea as to the interest level from our current Richmond Jets members, we will be better able to plan for the right number of teams/programs at each age and skill level. We have partnered with our sponsor, the Richmond Sockeyes, and will share the involvement of the Junior B club in the near future. Also, we are developing programs that allow for participants to play multiple sports in the spring.....Here is some important information below:

Deadline to indicate interest:

- Please send an email to springhockey@richmondjetsmha.com identifying what program interests you. We will respond to you once that program has been created. We would like to hear back from all interested players, coaches, and skill providers by **November 15th, 2018** so that we can announce who the coaches and skill providers will be for the specific age groups.
