7. New Business

1. North zone meeting Monday Nov 27th - update on concerns and what is happening for next season.
2. Make sure a report is issued to administrator if yellow/red cards are handed out.
3. Hockey pool update from Sherry - going pretty smoothly. Next year have pools out earlier. Managers did really good job recording numbers and collecting fees.
4. Hockey pool tab now on website.
5. Team fees - what is recourse if a parent does not want to pay team fees - will be forwarded to conflict resolution group to deal with.
6. Gretzky rule - no rule in Atom and up. In tournaments you could work in the goal differential to help keep teams from running up the score.
