RE: Hockey Canada Sports School Movement

Hockey Canada Sports Schools provide an alternative that some athletes and their parents may consider. If, after careful and due consideration, an athlete decides to attend an approved Hockey Canada Sports School, Sherwood Park Kings Athletic Club (SPKAC) and Sherwood Park Minor Hockey Association (SPMHA) wish such athlete personal success.

Athletes who register with the Sherwood Park Kings Athletic Club will be called upon to participate in the traditional tryout process this fall. If an athlete is released, that release process will follow Hockey Alberta's Elite Development Model. Hockey Alberta's ADM program dictates the next opportunity available to such an athlete.

If such a released athlete does not avail himself/herself of the opportunities available through the Hockey Alberta ADM, but rather chooses to depart for an approved Hockey Canada Sports School, Sherwood Park Kings Athletic Club, fully supported by the Sherwood Park Minor Hockey Association, will not, under any circumstances, transfer that athlete's Hockey Canada registry file to such approved Hockey Canada Sports School.

Players who choose to attend such Sport Schools will have until July 31<sup>st</sup> to apply for a full refund of their program fees, after such date, no refunds will be provided.
