Age Group of the Team: U14 - Team 5 Holberton

Nominated By: Priscilla Karbonik

Please explain why you feel this team should be awarded the Team of the Week: I am very proud to be the manager of such an amazing team! Each and every one of them give their 100% not only in the games, but our practices as well. They are always open to new ideas, and willing to play different positions regardless if they are comfortable doing so or not. I consistently hear them compliment each other. They motivate each other, and congratulate each other not only on wins, but when they see their team-mate achieve a play, move or technique that they have been working hard to conquer! Since the beginning, they have bonded and meshed into a team that is currently in 2nd place for standings! All their hard work has paid off! Way to go team!
