

Outdoor 2014 – Teams of the Week

U12 Girls – Phoenix

Nominated by: Teresa Magee

Please explain why you feel this team should be awarded the Team of the Week: The girls on the Phoenix Tier 2 team are hard working and truly work together as a team. The coaches Melissa x 2, Tim and Warren are great leaders for the girls on the team.

U12 Tier I Boys - Phoenix

Nominated by: Sherrilyn Job

Please explain why you feel this team should be awarded the Team of the Week: When it was pouring rain out, the boys still had practice. They showed up wearing raincoats and ponchos and did their full practice. My son came home with rain soaked right through his raincoat! I think that it shows dedication to the team for the coaches and players to show up and give full effort in these adverse conditions! Way to go Phoenix U12 Tier 1 Boys!

U16 Girls Community – Team Ford

Nominated by: Valerie Nimrichter

Please explain why you feel this team should be awarded the Team of the Week: This team has been riddled by injuries and short players for pretty much the entire season. Despite laying short handed, these girls exemplify team spirit and enthusiasm. These girls most definitely have the loudest cheer of the U16 Girls community teams. They have bonded as a team and support one another on and off the field. Despite only having 7 players for two of the games in the SPDSA Classic tournament, these girls still wanted to play all the scheduled games for their team. They are definitely a team deserving of the Team of the Week.

U8 Girls – Team Weber/Dunsmore

Nominated by: David and Erin Friesen

Please explain why you feel this team should be awarded the Team of the Week: Team Weber/Dunsmore - These coaches, Dennis and Patrick, are very dedicated to our girls and turn out to coach this team no matter what the weather is like. The team showed up on May 28th and played like real champs!! The coaches cheered them on as the rain poured down. Even though it showered on the team the girls were all smiles and had a blast continuing to play. I appreciate the coaches enthusiasm they have for the sport and the importance of what they are teaching our girls...what it means to show up and be apart of a dedicated team. Thanks for being a great example!

U16 Tier 3 Phoenix Boys

U12 Boys Community – Team 6 Cicchini

Nominated by: Ahren Arndt

Please explain why you feel this team should be awarded the Team of the Week: Team #6 under coach Cicchini has improved greatly over the last few weeks and continues to keep a positive attitude and great work ethic even though they have lost most of their games. Credit goes to coach Cicchini in keeping the team focused even though it would be easy to get frustrated and give up. Great effort and lots of improvement have been noticed in the classic tournament last weekend.

U8 Boys Team 8 – Holland

Nominated by: Michelle

Please explain why you feel this team should be awarded the Team of the Week: These boys show up eager and ready each and every game. Monday night we got slammed with large amounts of rain but each and every member of this team played their heart outs and enjoyed every minute of it with smiles from ear to ear. Way to go Orange Vipers!!

U10 Girls Team 7 - Piercy

Nominated by: Tammy Gordon

Please explain why you feel this team should be awarded the Team of the Week: **This team works hard every practice.** They are friendly to each other and show good sportsmanship to their opposing teams during game time. The girls come on time to practice and are ready to learn their skills from their coach and they try to apply those skills during game time. They should be awarded Team of the Week because they give their all and don't give up even when things are challenging.

U10 Advanced Girls - Guezen

Nominated by: Angela Guezen

Please explain why you feel this team should be awarded the Team of the Week: The girls came out on Friday night (although it was very cold) ready to play and gave every effort in the game. One young girl was hit in the face with the ball and only sat out for a bit, then got right back in, the girls all cared for her and how she was doing. I was proud to see them come together and to see her 'get back @it'!
