

Fundraising with “The Purple Perogy”

The Purple Perogy has booked WhiteCroft Hall here in Sherwood Park (52313 Range Road 232 – Just Southeast of Salisbury Greenhouse) to host perogy suppers and we want to team up with you.

What does The Purple Perogy provide

You know it, our delicious perogies in a full course meal – Perogies, Cabbage Rolls, Garlic Sausage, Meatballs and Gravy, Pickles, Buns, Dessert, Beverages.

The fully cooked meal prepared by our staff, venue costs, printed tickets & social media promotion on our sites

20% of Advance Ticket Sales to you!

What do you provide

Advance Ticket Sales – Who doesn’t want to “eat their perogies and make money too”!

Ten Volunteers on Day of Supper

That’s it.

And, you are more than welcome to sell 50/50’s or a Raffle Basket for the evening. That’s up to you! The Purple Perogy will not be responsible or connected to this, so total profits are all yours. Ensure to get proper licenses if required.

Advance Ticket Sales

Due to Hall Capacity, two Dine In settings will be offered at 150 people in each setting.

4:30 to 5:45 and 5:45 to 7:00. This will be printed on the ticket. If a guest does not attend in their allotted time, they are still welcomed but may be required to do a “Take Out” if hall is full.

A ticket cut off date will be pre-determined so you know exactly how much you’re getting even before the event occurs. Tickets will still be sold at the door however they DO NOT qualify for the 20% earnings. (Advance sales provide us with proper menu preparation but we don’t want to discourage any guests that decide to come that day. No % will be given to you for tickets sold that day at the door as we are taking the risk of food overage & wastage. Additionally, the purpose of Advance Sales is to have a guaranteed successful Fundraiser for you. Advance sales would not be as successful if potential purchasers are given the opportunity to wait and decide that day.)

A minimum of 200 Tickets is to be sold in advance in order to participate in this fundraising opportunity.

A maximum of 300 Tickets can only be sold due to Hall Capacity. While, Take Out is available, we have to assume tickets sold are for dine in.

Booking Dates

November 2017 to March of 2018

Tuesdays and Fridays

Yes, you can have as many perogy suppers as you would like throughout the time period. Understandably, may not want to totally commit until you see how first one goes but we can “pencil” you in and discuss after the first supper. If you are not the sole decision maker and need specific dates in this time frame prior to committing to the Perogy Supper, we will supply them.

Thank you for your interest in "The Purple Perogy" suppers. As this is a new venture for us as well, some fine tuning may be necessary however this will be kept to a minimum. Any suggestions you may have let us know as we are always welcome to improvements.
