## Fundraising 2017/2018

Since 1991 V.I.P Food Services has been helping groups throughout Alberta reach their fundraising goals with this original menu in this package. Being a small, Alberta based company dealing with so many groups we have designed this menu to be suitable for everyone to find a product they enjoy and will need for their family over the busy school/sports year.

This fundraising menu attached in this package is still our most popular menu throughout the groups we deal with. Please note that any of these products can be used in our smaller menu's to accommodate to a variety of different group needs.

When a group decides to use this menu we work very closely with them to make fundraising as easy as possible;

- We set up the menu's for the group with their specific information
- Quick turn-around (V.I.P Foods only needs the order into them 3 business day before the scheduled delivery)
- No charge for delivery
- At the time of delivery V.I.P Foods will stay and sort the entire order into the individual piles for you (using the Individual tally sheet attached in this package)

We have always taken pride in the quality of our products and service by ensuring that the products being sold by the group is competitive in the retail market and not inflated just due to it being a fundraiser. We also stand behind every item on our menu and will look after any complaint that might arise.

Doing this for so many years we have noticed a change in fundraisers over the years and we have changed our menu's to cater to the fast paced lives we all live now. Our fundraiser is easy and fast with a lasting impression to your customers wanting it year after year.

If you would like to take advantage of the services we have to offer please contact V.I.P Food Services at (780) 449-0556 or visit our website at [www.vipfoods.ca](http://www.vipfoods.ca). Enclosed is our price list describing our wide range of products.

Sincerely,

Justin Van Iperen

## Fundraising Information

VIP Food Services: Our focus is to make fundraising as hassle free as possible. Many of the items offered are exclusive to VIP Food Services, not easily found in the local retail markets. By providing quantity and quality we insure customer satisfaction and repeat fundraising activities.

Menus: are to be distributed among the participants, which identify our products. These menus will also identify the organizations, cheques payable and delivery date.

Profit Sheets: These sheets are for coordinators only, providing the information we need to know, such as totals, delivery dates and address for accounting purposes. They also show the profit for each item. Selling price less the profit becomes our invoice to the group.

Delivery □ Our prices are guaranteed for each menu cycle. No GST, no delivery charges no limit as to order size.

It is important to note: at the time of delivery, VIP Foods remains at the site to disperse its products into individual orders.

Product Guarantee: VIP Food Services thrives at insuring the utmost quality control and consistency. At times human error can occur, therefore we wish to hear from the participants within a reasonable time limit when not satisfied. Product will be exchanged without hesitation when required. "Quality without Compromise"

Conclusion: VIP Food Services recognizes that fundraising activities are successful through the time and effort of its volunteers. We would like to thank all of the volunteers who put forth their dedication and hard work to have a successful organization.

Customers are encouraged to call or email us for product information, or as to any inquiries they may have. Contact information is provided at the bottom of each menu.

We hope that you won't hesitate to call us so we can make your experience with our company and fundraising a pleasant one.
