EYBA Frequently Asked Questions

1. Where can I find my team's schedule?

A. Schedules are posted online at www.edmontonyouthbasketball.com

2. Is it possible that the posted game schedule will change?

A. Yes, schedules are subject to change. We try to make minimal changes; however, unexpected and last-minute gym cancellations do occur. Please double check your schedules after 12:00 pm the day before your game is scheduled to play. (E.G. Friday for Saturday games, Monday for Tuesday games)

3. Who do I contact if we are not going to use our practice gyms?

A. Talk to your Zone Director to see if any other team wants the practice time. The Zone director will then contact EYBA to cancel the practice time. A minimum of 16 business days prior to practice time is needed to cancel. Any cancellation made after that date will be subject to a \$50 cancellation fee.

4. If I have a concern with my coach or team, who do I call?

A. If you have a concern with your coach/team, please speak with them directly about it. If not resolved, please contact your Zone Director. The emails for the Zone Directors are available on the EYBA Website.

5. What happens if we don't have money to pay the referees prior to the start of the game?

A. All referees **MUST** be paid prior to the start of the game. In the event that the referees do not receive payment before the game, the game will not be played.

6. What types of awards are presented during the EYBA City playoffs?

A. Gold, Silver and Bronze metals will be presented to the first, second and third place teams in each division during the City Playoffs in March.

7. What should we do if we arrive at the gym for our game and a double booking has occurred? Which teams get to play their games?

A. Although they do not happen frequently, occasionally double bookings do occur. These are two options should this happen:

a). Each game is cut in half and "Mini" games are played. If all 4 teams are willing to do this, the referees can determine the game length based on time availability.

b). If the teams involved are not willing to play shortened games, flip a coin to determine which game will take place. If the gym time is available on a different day, a make-up game will be scheduled for the other two teams. If the gym time is not available, the game will be marked on the schedule as a cancelled game.

8. Why can't my team play more games?

A. As available gym time is limited, we create our schedules to optimize the gym time that we do have.

9. Why do we play fewer games than last season?

A. Our gym bookings are not consistent from year to year. If less gym time is available, we are not able to schedule as many games.

10. Why aren't we able to get more gym time?

A. The gym time available to us within Edmonton is distributed to various youth and adult sports, and other community groups (eg. Scouts, Brownies, etc.) through the Joint Use Agreement. The schools submit their available hours to the city of Edmonton and those hours are then divided among the user groups. We are not always able to obtain consistent times from year to year, as some schools may reduce their availability, another group may get the time, or it may exceed our "allotment" of overall hours.

11. What happens if a player is injured or an incident occurs during my game?

A. If either of those situations occur, an Incident Report is necessary and it must be submitted within 48 hours. The form is available on the EYBA website.

CLEAN UP OFFICIAL

Rationale: EYBA needs to have someone from each team responsible for the cleanliness of the gyms the EYBA uses for games. Having one person responsible at each game will allow EYBA to "police" the cleanliness of the gyms. This will also help us have a positive personal relation with the schools, custodians, and the schools boards that we take the gyms use serious. This is a major reason as to why EYBA is losing their gyms for games and practices. Please ensure that the practice gyms are given the same respect as a game gym.

Procedure: Both Teams team will provide a "Clean-up" official. This person will sign the score-sheet confirming that they oversee keeping the facility clean. This person will have to come to the gym 15 minutes early to make sure that they are there before the other game finishes.

Duties:

1. Make sure that absolutely NO ONE is wearing their outdoor shoes in the gym.
2. Make sure parents from their own team are not bringing in coffee, other beverages (except water), and/or snacks into the gymnasiums.
3. Make sure any trash left behind (coffee cups, water bottles) are collected and put in the garbage cans.
4. Make sure that the team benches are clear of water bottles, tape and any other items that are left behind.
5. The clean-up official can be the same as the score keeper, time keeper, team manager or one of the coaches but it must be an adult.

Sanctions: If your team has been found in non-compliance of this, we will follow the normal discipline procedure. Sanctions will include a warning for the first offense and may lead to possible forfeit of a game as well as ineligible for the playoffs. Please understand that we will that we will be very strict with the cleanup official as leaving a dirty gym is one of the top reasons as to why we lose gyms which is the reason why we play less games each year.
