Notes

1. Athletes are required to participate in the events they originally entered with. No athletes will be allowed to change their events the day of the competition.
2. Events listed at the same time will be held together but scored separately. Example: All Female 1500, all male 1500, midget and youth girls shot put etc.
3. If you have a conflict track event is priority. When you return to the field event, you will continue in the round that is currently in progress. If the event is finished, you will not be allowed to compete.
4. Advancement from heats to finals in 50, 100, and 200 is by time only. If numbers warrant, there will be 2 finals, as indicated on the schedule.
5. For all pre-registered relay teams, the registrants names may be added to the pre-registered team up until 12:00 noon on the day of the relay.
6. The family relay will follow immediately after the 4x100 on Thursday.
