

Sponsorship Form

Together, the Sherwood Park Minor Baseball Association and the Sherwood Park Athletics are hosting our annual Dave "Doc" Plotsky Memorial Tournament June 1-3, 2018. "Doc" Plotsky was a local optometrist and champion of minor baseball in Sherwood Park, coaching 21 years for the Association and giving countless hours of his time to serve and develop the youth of Strathcona County. To honor his legacy and memory, our tournament brings together 54 teams from across Alberta, BC and Saskatchewan, includes over 700 players ranging from 9 to 18 years of age and is hosted on 9 diamonds in Sherwood Park.

We are inviting local businesses to throw in your support for the development and success of the tournament and local baseball in Sherwood Park. There are various levels of sponsorship (below), each corresponding to financial support, and an equivalent level of tournament recognition and publicity. Sponsorship funds will be directed to such needs as tournament supplies, updating the current batting cages, diamonds and concession.

All levels of sponsorship will be recognized as follows:

- Company name and logo promoted leading up to the tournament, throughout the event and after on the tournament website - <http://spmba.ca/content/doc-plotsky>
- Company name and logo linked to your website on the tournament website.
- Company name and logo promoted through the online tournament welcome package
- Social media recognition
- Verbal recognition throughout the tournament
