

Stony Plain Football Parents Contract

As a Stony Plain Football parent, I agree to read the Rules, Policies & Procedures, follow the same and support the Stony Plain Football sports program.

Stony Plain Football Parents' Code Of Ethics

Encourage members of both teams.

Keep all comments positive.

Only players and Football staff are allowed on the field, no exceptions.

Leave the coaching to the coaches.

Criticizing the officials, coaches and opponents will not be tolerated at all. The same goes for abusive language or cursing. This is a youth sport, everyone makes mistakes, referees do too. You will not make or communicate (through email or any social media) offensive, abusive or insulting remarks toward any other player, official, parent, coach or volunteer.

You are responsible for all family members or friends attending the games and/or practices.

All parent to team contact must be made through the team director. Physical confrontations will not be tolerated.

SCHOOL COMES FIRST. Your player grades and true class work come before football. If school work is managed properly then school will rarely interfere with football.

ALL PRACTICES ARE REQUIRED. We know that circumstances may arise where you must miss a practice (vacation, illness, etc.). When this occurs the parent or player must notify his coach as soon as possible. Our coaches take time out of their own very busy schedules to hold practices. Not having enough players to conduct a practice is not fair to the coaches or the other teammates. IN FAIRNESS TO ALL, if a player does not come to practice consistently, you may not be eligible to play the upcoming game(s) and/or playing time may be reduced.

PLAYER IS TO TAKE CARE OF ALL EQUIPMENT. All gear will be washed for all games. Do not alter any of the equipment. If there is trouble with the equipment, please go directly to the "Equipment Manager". If equipment is forgotten for games or practices, the player will not be allowed to take part in that game or practice.

WATER. Players must bring their own water bottles to games or practices. It is crucial that athletes stay hydrated at all times. This is not just for performance – dehydration is a serious health risk. Sports drinks, energy drinks, or carbonated sodas are prohibited on the field at any time.

No use of alcohol, tobacco (smoking or chew) or drug related products are allowed on the field at any time.

All players are to treat teammates and coaching staff with respect and courtesy. Behaviour that puts other players or coaches down, results in profanity, or demonstrates lack of self-control, WILL NOT BE TOLERATED. Criticizing the officials, coaches, and opponents will also not be tolerated at all.

I understand that unsportsmanlike behaviour or not adhering to the policies and procedures on my players' part can lead to suspension from and possible forfeiture of a game. I understand that in these circumstances, my player will be required to appear before the association to explain their actions and the committee will take whatever action it feels justified.

I have read, understand and agree to abide by the Stony Plain Football rules and the contract/code of conduct as written on this form.
