It is **mandatory** that ALL volunteers that will be working directly with the participants/players attain a Police Record Check. If your PRC is submitted at time of player registration, you may receive a discount. SBA's Letter of Request is posted at www.sbahoops.ca. It can be filled out online, printed then it needs to be taken to the local RCMP detachment to attain the check free of charge. Although Team Managers sign up directly with the Coach once the season has commenced, it is mandatory that Managers get a check completed ONLY if working with Children.

NOTE: You may only sign up for one rebate position. However, if you are successful in receiving one position (first-come first-served) and there are no other volunteers in your 2nd/3rd choice, you may be considered for 2nd and/or 3rd position. Please keep in mind that if you want more than one position, there are a few responsibilities that need to be taken care of during the season, so your full commitment to all duties is appreciated. **Signing up to volunteer also grants SBA permission to make contact via email.**
