FIRST TIME USERS:

If you have never registered online before you will have to set up an account.

If your child has never played before, then you will need to add the child.

If your child(ren) have played with SCMHA in the past, they will be on the system. (see below). If you can't find a match and your child has played with SCMHA in the past, try other forms of first names (nick name, etc). Please do not add your child again, please contact Dave (Dave.5cmha@yahoo.ca) as your child will be on the database and creating a new player will cause duplicates in the system.
