

Swift Current Minor Hockey is pleased to announce a working relationship with RoomRoster to assist with Tournament Registration and Accommodations for the out of town teams.

Registration:

RoomRoster has custom built registration pages for each tournament. Team Managers/Coaches can register for the tournament of their choice and have the capability to do the following:

- Register for the tournament
- Make payment by credit card or by cheque
- Upload Rosters and any other information at the request of the Tournament Committee.
- Secure hotel rooms
- Communicate with their team

Accommodations:

We kindly ask that teams use RoomRoster to secure hotel rooms for all Swift Current Tournaments. RoomRoster has worked closely with the Tournament Directors to provide the best options on amenities, value and location at team-friendly hotels.

Team Managers will have the ability to block the hotel of their choice once the team has officially been accepted the tournament. Team Blocks are provided to the teams with no obligations, contracts or need to put down a credit card. Once a hotel has been selected for the team by the Manager, a booking link will be provided for the team to complete their reservations at the team hotel.
