3. Budget Review
Income Statement at October 11, 2016. Team Sponsor (Revenue) line is budgeted, invoices were just sent out. Referees (Expense) may be slightly over this year. We have a few referees that have already reffed 10 games. Rande Evan's (Equipment) will be under budget this year. Sandy spoke to the Holland Family and they will be sending money to our Goalie Clinic Fund.

Jodi leaves at 6:20pm

4. Tori Fesser would like to put together a Pee wee all-female team. Would like a list of families that have daughters registered with GVMHA in the Atom and Pee wee divisions. Michelle will send Tori a list. Tori would also like to invite girls from other association (Lumby, North Ok) to come and try hockey and possibly roster a minimum of 12 girls to play games and tournaments. Michelle advised girls can play for more than one team and come to our Association via No Team In Category from another. Tori will need to have head, assistant coaches, first aid, manager in place and Michelle McCrea will put them on a roster.
5. 2 Minute Updates:
 - Sandy – Power Skating and Monday mornings are off to a great start; watching some games and watching systems. Rec'd an application for Bantam Asst Coach. CRC showed up with an offense on file. The board members voted in favor of not having person as asst coach for GVMHA. 3 members abstained from voting.
 - Greg - Met with Erin Hoffman – Coach Co-coordinator. Had a great discussion and will be reviewing ideas with Sandy Moger. Kara, Sandy will be having further discussions with Chuck Gallagher about Zones and will be creating a committee with managers and parents. Greg will be assisting as well.
 - Michelle - Nothing at this time. Will help Kara Blazek with 50/50 at the Vipers game.

Jaime - Everything is good. Ironing some cross-ice details. Bumpers are ordered and will be coming from a company in Kelowna.

Rande - Distribution of equipment went somewhat smoothly. Very happy that equipment came in under budget.

Manjeet- Team Jackets. We should look at having team jackets that are all the same from Initiation to Midget. There are different types of jackets (Stormtek, Bauer..Etc.) some jackets have lining and some do not. Michelle McCrea explained that we have 3 different suppliers and we, as an organization should speak to each one and explain that we want all 3 to use the same type. This discussion will be tabled until spring.

Michelle M- Almost finished with rostering all the teams, and working with the bench staff to get them up to date with their certifications. Picture Day schedule, and always working on ice schedule.

Drew - Everything is good. Helped with the draft this year was a long process but seems to have gone well.

Gareth - Would like a list of HCSP people from Michelle McCrea for first aid training. There are two options two evenings or weekends in the am. The executives that are interested are to email Gareth if interested to get their name on the roster. Quick thank you to Michelle for getting the German players playing. They are doing well. Also, suggested that Keith Chase has been a part of GVMHA coaching for the last 25 years and it would be great if we could award him at the end of the year. (This will be brought forward in spring)

Kevin - Everything is all-good. Please have managers and coaches email pictures of their teams playing or practicing.

Kara - We have another 50/50 Vipers game. That's five games in total.
