

## Parents Meeting Bantam/Midget Girls September 21, 2016

### MIDGET GIRLS

Randy presented options for Midget Girls for this hockey season. Currently 8 midget girls registered with Viking Minor Hockey, no goalie. Viking Minor Hockey executive will not give directive where they play, parents to decide.

Options are:

1. All Viking midget girls play with Irma (have 9 players including a goalie currently registered).
2. All Viking midget girls play with Camrose (have 9 players including a goalie currently registered).
3. Viking Midget girls split up and some play with each team.

Parents noted that there is a person from Viking, who is not hockey parent, willing to coach the Midget girls hockey team if they play in Irma. Midget girls' parents decided to further discuss outside of meeting and to inform Randy of their decision where they will play for the 2016/2017 season.

Director: Not decided.

### BANTAM GIRLS

Currently 4 bantam girls registered with Viking Minor Hockey, no goalie. They will combine with Irma and Hardisty, same as last year.
