I, \_\_\_\_\_ (parent/guardian name), grant permission for my son/daughter, \_\_\_\_\_ ( Player name) , to drive a private vehicle to/from the designated site.

The student is to use a vehicle for the sole purpose of attending practice. He/she is expected to travel directly to and return directly from practice.

I understand that my child is only authorized to drive him/herself to practice as players driving player for any activities is not approved transportation in the West Central Wheat Kings AA Hockey Association.

This transportation consent form is in effect for the \_\_\_\_\_ - \_\_\_\_\_ practice.

In signing, I understand and accept the risk associated with this and agree to the above conditions. My son/daughter and I have determined the most appropriate transportation route.
