

Parent Volunteering Roles - Team

As a parent and part of this team we are all required to pitch in some volunteer time throughout the season to make our games run smoothly. There are a few roles to fill:

Time clock Scorekeeper Shot Clock (U12 & over only) Jersey Parent

For time clock, scorekeeper and shot clock your team manager will be assigning your family spots, you will receive a schedule as far in advance as possible but often the games times are not published as soon as we would like them to be. Once you receive your time slot if you can't fill that spot it will be **your** responsibility to ask another parent to fill in on your behalf and to communicate that with your team manager. ***Please be aware that this does take a lot of coordination and time for your team manager.***

The jersey parent position is one that needs to be filled at the beginning of the season. We ask that a parent volunteers for this role, a jersey parent assumes this role for the whole season. This parent will bring the jerseys to all games, set them out for the players before games in the change room and launder them as required. Each team will have 2 jersey bags, home and away, these will both need to come to all the games. The jerseys are heavy, please be aware of this when volunteering to commit to this job. Again it will be your responsibility to have another parent bring these to a game if you are away.

Please fill out the form below to confirm your email and phone number. Also please note which form of communication is best for you, email or text. If your family has some specific dates that you will be away, please also note them on the attached sheet and return to your team manager as soon as possible.

Thank you for your time and dedication!

Family Name	
Players Name	
Email Address	
Cell Number	
Best form of communication	Email / Text

Confirmed dates you will be unavailable:

Please return this to your team manager as soon as possible

Thank you!
