

Parent Volunteering Roles - Association

As a parent and part of this association we are all required to pitch in some volunteer time throughout the season. A required postdated cheque for \$100.00 will be held from each family. This cheque will only be cashed in the event that, by the end of the season, a family has not completed their volunteer requirements.

Luckily, there are a number of opportunities that need volunteers! All families will be required to help with a minimum of 4 association activities throughout the season. Each activity will have, on average, 2 - 4 hour time slots that will require parent support.

Please fill out the attached sheet and return it to your team manager so he/she knows where best to place you to help you to complete your volunteering time.

Note that this is only to be used as a guideline, sometimes you may be asked to volunteer in other areas. If you can't fill that spot it will be your responsibility to ask another parent to fill in on your behalf and to communicate that with your team manager.

Please be aware that this does take a lot of coordination and time not only for your team manager but for tournament/fundraising organizers.

If you have some specific dates that you know you will be away, please also note them below. Also please confirm your email address, cell number and confirm which one would be your preferred way of communication.

Thank you for your time and dedication!
