

Williams Lake Youth Soccer Association

Technical Director Job Posting

Revised October 28, 2018

WLYSA registers between 950 – 1050 players per year and is governed by a volunteer Board of Directors. WLYSA is affiliated with BC Soccer Association. The Association is currently seeking a part-time Technical Director who will report to and work cooperatively with the Board to ensure the success and growth of WLYSA. This dynamic and knowledgeable individual will become the first Technical Director of our growing organization.

The Technical Director (TD) will be an active and contextual coach who has the passion and leadership to support players, volunteer coaches, and teams. You will be responsible for leading the WLYSA player and coach development in methods consistent with Long Term Player Development. Additionally, the TD will develop long-term strategic and educational goals with the Board of Directors.

The ideal candidate works well in a team-orientated environment, is inspiring and innovative, and understands the challenges a smaller soccer association faces. You are a professional, respectful, and organized leader who has excellent communication skills. You are able to work independently to create and facilitate new and existing programs.

Job Duties and Responsibilities:

The TD will play a dynamic leadership role including, but not limited to:

- Liaising with WLYSA Board of Directors, BCSA, other Associations within BC
- Technical leadership
- Program development
- Coach development – house and rep
- Player development
- Budget management
- Social media communication
- Reporting and presenting
- Association growth and inspiration

OR

- Oversee and guide the philosophy for the development of WLYSA players and coaches at all levels of the game by following the practices and recommendations of BC Soccer and LTPD.
- Develop and maintain a technical development plan for players and for coaches. Support the implementation of the plan and review the success regularly. Report the Board of Directors regularly.
- Increase the number and distribution of educational opportunities throughout the Association for players and coaches (U4 – U18 Rep).

- Implement mentorship opportunities for coaches.
- Maintain and develop competitive opportunities for players.
- Identify and support emerging talented players, coaches, and referees.

Competencies and Required Skills

Minimum B-License Provincial Coach, National B Preferred, or international equivalent

Completion of Technical Director Diploma is an asset

Minimum 5 years coaching various levels of players, including rep

Excellent interpersonal skills including strong consultative facilitation, listening, and decision-making

Excellent organizational skills including year planning and extensive practice planning

Ability to work with multiple supervisory and/or collaborative bodies including WLYSA, QYSA, and BCSEA

Experience with budget responsibility to a maximum of \$20 000

Flexible work hours

Valid Driver's license

Must undergo a criminal record check

Hours of Work and Compensation

The position is part-time with varying hours of work dependant on the Association's requirements and programs.

Competitive Annual compensation will be based on experience.

To Apply

Please send resume with covering letter to admin@wlysa.com by **Friday December 7, 2018** to the attention of WLYSA President, Nara Riplinger.
