

Sponsorship Opportunities

York Region Lions Football Association
A premier organization delivering football programs to
York Region.

The cost of running a competitive football club is substantial. Where the York Region Lions stands apart from other sports is that we **provide the equipment necessary for any child to play**. Our annual budget is spent on purchasing this equipment and keeping it certified to industry safety standards. We also incur the cost of renting fields (indoor and outdoor), sponsoring players and ensuring every child can participate. Expenses quickly add up. Our non-profit organization is run solely by volunteer board members, coaches, and managers.

We are looking for support from sponsors to help keep our registration fees affordable and ensure that we can provide an excellent environment for all our players. **We welcome support from everyone!** Below are guidelines for sponsoring our Lions, but any contribution is welcome. We will work with you and your organization to ensure adequate recognition, and offer the loyalty of 1500+ Lions parents, relatives and friends, and a presence on our robust social media channels and website. Cheques should be made payable to York Region Lions Football and can be turned into your team manager or mailed to York Region Lions Football Association, 16715 Yonge Street Unit 12, PO Box 191 Newmarket, ON L3X 1X4.
