INDEPENDENT PRACTITIONER'S REVIEW ENGAGEMENT REPORT

To the Board of Directors of the Ottawa Girls Hockey Association

I have reviewed the financial statements of the **Ottawa Girls Hockey Association**, which comprise the statement of financial position as at April 30, 2024 and the statements of operations and net assets and of cash flows for the year ended April 30, 2024, and a summary of significant accounting policies and other explanatory information.

Management's Responsibility for the Financial Statements

Management is responsible for the preparation and fair presentation of these financial statements in accordance with Canadian accounting standards for not-for-profit organizations and for such internal control as management determines is necessary to enable the preparation of financial statements that are free from material misstatement, whether due to fraud or error.

Practitioner's Responsibility

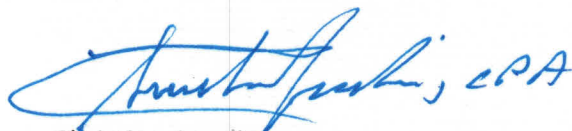

My responsibility is to express a conclusion on the accompanying financial statements based on my review. I conducted my review in accordance with Canadian generally accepted standards for review engagements, which require me to comply with relevant ethical requirements.

A review of financial statements in accordance with Canadian generally accepted standards for review engagements is a limited assurance engagement. The practitioner performs procedures, primarily consisting of making inquiries of management and others within the entity, as appropriate, and applying analytical procedures, and evaluates the evidence obtained.

The procedures performed in a review are substantially less in extent than, and vary in nature from, those performed in an audit conducted in accordance with Canadian generally accepted auditing standards. Accordingly, I do not express an audit opinion on these financial statements.

Conclusion

Based on my review, nothing has come to my attention that causes me to believe that the accompanying financial statements do not present fairly, in all material respects, the financial position of the **Ottawa Girls Hockey Association** as at April 30, 2024, and the results of its operations and its cash flows for the year then ended in accordance with Canadian accounting standards for not-for-profit organizations.

**OTTAWA GIRLS HOCKEY ASSOCIATION
NOTES TO FINANCIAL STATEMENTS
FOR THE YEAR ENDED APRIL 30, 2024**

1. JURISDICTIONAL STATUTES AND NATURE OF OPERATIONS

The Ottawa Girls Hockey Association (“the Association”) was incorporated as a non-profit association without shares on December 8, 2000, under the *Corporation Act* of the province of Ontario. The Association is engaged to promote and encourage, in the City of Ottawa, the development of recreational and competitive hockey for amateur girls and women in order to increase their interest in the game of hockey. By virtue of Section 149(1) of the *Income Tax Act*, the Ottawa Girls Hockey Association is exempted from income taxes. In the situation of dissolution, all the remaining net assets of the Association shall be disposed to charitable organizations which carry on their work solely in the City of Ottawa.

The hockey season usually starts around the end of August and finished in mid-April. The number of teams totalled 24 (25 in 2022-23) of which 12 are competitive (13 in 2022-23) and the number of payers decreased from 400 in 2022-23 to 372 in the 2023-24 hockey season.

2. SIGNIFICANT ACCOUNTING POLICIES

The financial statements of the Association have been prepared using the Accounting Standards for Not-for-Profit Organizations of Part III of the *CPA Handbook* and include the following significant accounting policies.

a) Revenue recognition

Registration, tournament and ice rental fees and other income are recognized as revenue when the services have been provided.

b) Capital assets

Capital assets are recorded as expenses in the year they are acquired; there were no acquisitions of capital assets during the years 2024 and 2023.

c) Purchase of jerseys and goalie equipment

The purchases of jerseys and goalie equipment are recorded as expenses in the year of acquisition, since these goods are used by the players and are not kept for resale.

d) Financial Instruments

Measurement of financial instruments

At acquisition, the Association evaluates its financial assets and financial liabilities at their fair value. Subsequently, it evaluates all its financial assets and liabilities at either their fair value or their amortized cost.

The financial asset evaluated at its fair value is the cash and at their amortized cost are the registration fees receivable.

**OTTAWA GIRLS HOCKEY ASSOCIATION
NOTES TO FINANCIAL STATEMENTS
FOR THE YEAR ENDED APRIL 30, 2024**

2. SIGNIFICANT ACCOUNTING POLICIES (Continued)

Impairment

Financial assets measured at cost are tested for impairment when there are indicators of impairment. The amount of the write-down is recognized in net income. The previously recognized impairment loss may be reversed to the extent of the improvement, directly or by adjusting the allowance account, provided it is no greater than the amount that would have been reported at the date of the reversal had the impairment not been recognized previously. The amount of the reversal is recognized in net income. So far, there has been no write-down of financial assets.

Transaction Costs

The Association recognizes its transaction costs in net income in the period incurred. However, financial instruments that will not be subsequently measured at fair value are adjusted by the transaction costs that are directly attributable to their origination, issuance or assumption.

e) Services provided without charge

The value of volunteer and other services contributed to the Association is not recorded in the financial statements. There are no objective bases available to measure the value of these services and the Association does not maintain detailed records of these services.

Also, as set by the Association's incorporation statutes, all directors serve during the year without remuneration.

3. FINANCIAL INSTRUMENTS

The Association is not exposed to any significant risks at year-end through its financial instruments and its cash is principally held by a large Canadian financial institution.
