

## **AMRA Registration Refund Policy**

Request for registration refunds must show the reason for refund, the original payee, players name, amount requested & original payee's mailing address. They must be provided in writing to the AMRA Registration address listed on AMRA's website, or via email to the President or Registrar.

All refunds are to be discussed by the Executive on a case by case basis prior to the approval by the President of AMRA.

Refunds will be allowed on the basis of the following:

1. Up to October 15th, 80% of total registration
2. Up to November 30th, 33% of total registration
3. After November 30th, no refund
4. NSF Cheque Policy in effect.

Where there are two or more children registered in a family and a refund is requested for one child, the refund will be based on the lowest applicable rate (for example: if there are 3 children registered and one drops out, the refund is \$50 or portion thereof).
