

# **CRAZY CANUCK CHALLENGE**

**APRIL 17, 2026 – MT NORQUAY**

On Friday, April 17th at Banff Mt. Norquay, we are pleased to present the ***Crazy Canuck Challenge*** - a fun corporate fundraising race. Our goal is to make a substantial contribution to Alberta Alpine, to support our future champions in their goal to represent our province and our country at the Junior World Ski Championships, the World Cup and the Olympic Winter Games.

Each Team will consist of four (4) participants who will be joined for the day by a “ski legend” - who will coach, race and share their stories of their time with the Canadian or Alberta Ski Teams. Build your team of friends or colleagues, challenge other competitors to do the same, and enter the Crazy Canuck Challenge before April 10, 2026 (Maximum 16 Teams)!

The event will be a fun dual giant slalom format - no jumps - on the Cascade Race Venue, directly in front of the Norquay day lodge. The winning team will be determined by the best combined time of all five members.

The day includes lift pass, light breakfast, lunch and après, coaching for the day with your Team Legend, and post event auction at the après with amazing opportunities for great gift items, ski gear and memorabilia.

Our goal is to provide support for the young, talented athletes - our future Champions - to ensure Canada is well represented at the international level. These athletes are committed to investing the time, energy and their personal resources to one day represent Canada - this is our opportunity to give them a lift and provide crucial funds and support to boost their dream of becoming an Olympian.

Join us for a great day on the slopes - fun, action, camaraderie, community and great memories!
