

GUIDELINES OVERVIEW

The Basketball Nova Scotia (BNS) **Standard Misconduct Penalty Guidelines** is an important piece of the organization's Discipline Policy, designed to uphold the integrity and spirit of competition within our sport. It is also governed by Safe Sport principles, grounded in the emphasis on safety, fairness, and mutual respect amongst all participants.

These guidelines outline a structured and cumulative approach to managing misconduct, ensuring consistent and fair consequences for infractions at all levels of play. By adhering to this chart, all those involved in the game of basketball can be assured of a system that is committed to long-term growth and success. Please note that the system is cumulative in nature, meaning that any disciplinary actions, including suspensions, will carry over into subsequent seasons if the stipulated time or number of games remains unserved.

BNS believes this approach will foster a positive and respectful environment, encouraging all athletes, coaches, officials, administrators, and spectators to uphold the highest standards of the game.

BNS full state of **Safe Sport Policies** as well as the **BNS Discipline & Complaints Policy** can be reviewed on the BNS website (basketballnovascotia.ca) under **Policies**.
