

How to Register for a Workshop on Game Plan

1. Go to the following link: <https://gameplanbasketball.ca/>. You will see the page below. Sign in to your Game Plan account by clicking “Member Sign-In” in the top right corner and entering your username and password. If you do not know your username and/or password email coaching@basketball.ca and ask to reset your password.

The screenshot shows the Game Plan website interface. At the top, there is a banner with the Game Plan logo and the text "CB ~ Coaches". Below the banner, there is a navigation menu on the left with a "Register" button circled in blue. The main content area features a "Game Plan" section with registration details, a "Practice Planner" section with a preview image, and a "Drill Library" section with a preview image. The "Register" button is a red rectangle with white text, located at the bottom of the left-hand navigation menu.

2. Click on the “Workshops” tab (on the main toolbar, see image below).

The screenshot shows the main toolbar of the Game Plan website. The toolbar is a dark horizontal bar with several navigation tabs. The "Workshops" tab is circled in blue, and a blue arrow points to it from below. The other tabs include "Coach Alex's:", "Developers", "MHP", "WHP", "SNYB", "Tools", "My Certification", "Session", "My Profile", and "Feedback". The "Workshops" tab is the central focus of the instruction.

3. Change the search filters to the Province of interest (the province where the course will be delivered) and/or to the Workshop Modules of interest (which course you would like to attend).

Province: Workshop Module: 2018

4. Scroll through the courses to find the one that you are able to attend. When you have found the course that you would like to attend click the “Register” button corresponding to that course (on the left side of the screen).
5. Complete the payment by following the instructions on-screen.
6. Enjoy the course, and thank you for your commitment to coaching! If you have any questions about registering for a workshop or your workshop, please contact certification@basketball.ca.
