Not only does the event showcase the best young talent in box lacrosse nationwide, it also helps promote the growth and development of Canada's national summer sport.

This world-class competition provides sponsors with unique opportunities to connect with a passionate audience. Through the variety of levels and options available, sponsorship can be tailored to meet your organization's needs. By becoming a sponsorship partner with the Calgary Shamrocks, you can support the team and Junior B lacrosse while attaining great national exposure for your organization.

Your Host Team Partner: The Calgary Shamrocks

The Calgary Shamrocks Lacrosse Club has a long and proud history in Alberta lacrosse, being crowned South Division Champions six of the last seven seasons, competing at Founders several times throughout the years resulting in a silver medal in the inaugural Founders Cup tournament in 1972, bronze medals in 2006 and 2007 and winning it all in 2019. We are excited to bring this prestigious event to Alberta this summer, and we are looking to our community partners to help us make this year's Founders Cup a tournament to remember for players, spectators and the lacrosse community at large.

2025 Founders Cup Partnership

Lacrosse's origins lay with First Nation's communities in North America, and a form of the game was played long before Europeans arrived. As the game has grown and evolved over the centuries, it remains special to First Nations communities across the country. The Calgary Shamrocks Lacrosse Club feels it's important to stay connected to those roots, drawing from the sport's history in order to strengthen its future.

To that end, we are honoured to partner with the Tsuut'ina Nation to host the 2025 Founders Cup at Seven Chiefs Sportsplex. To further build on the game's roots, the Shamrocks are also offering development camps to children of all ages in Tsuut'ina Nation schools leading up to the tournament.

Together, Tsuut'ina Nation and the Calgary Shamrocks Lacrosse Club hope to continue to grow lacrosse in the First Nation community as well as the greater community long after the Founders Cup final whistle.
