Here is an example of what you will see in RAMP, once you have selected the family member and division of your child:

EXAMPLE for a U16 player where the initial fee of \$150 has already been paid. You will need to select the package that has not been purchased yet (in pink, see screen shot below) and follow the steps, including signing all of the waivers, until you get to the payment processing page. NOTE: the system unfortunately does not allow us to skip the re-signing of waivers. This will be avoided in the future as we will have one registration for the season instead of a pre-registration beforehand.

### Payment:

You will have the choice to pay the full remaining fees for the season in one payment (tick the box 'I want to pay the full amount right now' found under the expiration date information for your credit card). If you would rather pay in two instalment **DO NOT** tick the box and the system will charge the second half of the payment to your credit card on October 29th. See screen shot below!

The screenshot shows the RAMP registration website interface. On the left is a dark blue sidebar with the RAMP logo and a navigation menu including Dashboard, Register, My Family Members, My Registrations, My Teams/Permits, Transactions, Refund Policy, Your Account, and Logout. The main content area is titled 'Choose Your Packages' and lists two items:

- Initial Registration Fee**: \$150.00. A green bar indicates 'This package has already been purchased for this family member.'
- U16 Remaining Fees**: \$550.00. A pink bar indicates 'This package is a required purchase.'

Below the U16 package, the following text is displayed:

The remainder of the season fees of \$550 for the 2021-2022 season can be paid at once or in two instalments.  
The first payment is required prior to September 29, 2021  
The second payment is required no later than October 29, 2021  
When you are processing your payment, you will have the choice to pay in full or pay in instalments.
