## **ROLES AND RESPONSIBILITIES**

### **Charge Person**

- Reduce the risk of further harm to the injured person by securing the area and sheltering the injured person from the elements.
- Designate who is in charge of the other athletes. If nobody is available for this task, cease all activities and ensure that the athletes are in a safe area.
- Protect yourself (wear gloves if in contact with body fluids such as blood).
- Assess ABCs (check that the airway is clear, breathing is present, a pulse is present, and there is no major bleeding).
- Wait by the injured person until First Responders arrive and the injured person is transported.
- Fill out a Ringette Nova Scotia Accident Claim Form.

### **Call Person**

- Call 9-1-1 for emergency help.
- Provide all necessary information to the call taker (e.g. facility location, nature of the injury, description of the first aid that has been done, allergies and other medical problems).
- Clear any traffic from the entrance/access road before the First Responders arrive.
- Wait by the driveway entrance to the facility to direct the First Responders when they arrive.
- Call the emergency contact person listed on the injured person's Emergency Medical Information Form if they are not present.
