7. Can I request my athlete to be on the same team as a friend?:

Friend requests are only permitted in the U10 and U12 divisions. Friend requests must be reciprocal. Only one request per athlete is permitted. Friend requests are not guaranteed and will only be considered if the request aligns with the creation of balanced teams once evaluations are completed.

The deadline for friend requests to be submitted is August 31st.

8. Refund/Cancellation Policy:

If a player withdraws before using **any** ice time, a full refund will be issued by the Halifax Hurricanes Ringette Association minus Administrative fees where applicable (i.e., credit card fees). A prorated refund will only be considered up until November 15th, 2025, after which no refund will be given. Players that are no longer permitted to play for medical reasons may be considered for prorated refunds on a case-by-case basis at the discretion of the Halifax Hurricanes Ringette Association Board of Directors.

9. Team Fundraising Commitment:

Fundraising is mandatory for the effective running of an association/team and all Halifax Hurricanes players will be required to participate in this year's fundraising initiatives.

Players are required to participate in team fundraising, or contribute the equal raised by each player in financial funds, towards the approved team budget.

Teams are permitted to request a maximum initial parent contribution of \$150. Additional parent contributions may be requested/required at a later date, depending on the budget and fundraising outcomes. In the event that teams are left with surplus funds at the end of the season, funds attributed to parent contributions will be returned to the parents.

10. SportSweep Commitment

SportSweep is a fundraising raffle hosted by Sport Nova Scotia which provides an opportunity to youth sport organizations to fundraise and support their programming. The Halifax Hurricanes have participated in the SportSweep raffle for the past 2 years.

This year, all athletes registered in FUN through U19 are required to sell at least 10 SportSweep tickets (total value \$50) in order to raise funds in support of continuing to provide new jerseys, fund new equipment, support other Association initiatives, and help mitigate future increases to registration fees. If your athlete intends to sell SportSweep tickets, please select "I agree" below. Team Managers will distribute the tickets for sale at a time determined by the Association.

Athletes may opt out of Sportsweep fundraising by selecting "I disagree" to this commitment. If you select "I disagree" the Association will bill your athlete's account \$37.50 in addition to your regular registration fees.

11. Volunteer Commitment:

Our association is built on the strength of our volunteers, and it is expected that all families will contribute to the Halifax Hurricanes Ringette Association throughout the season. With the Halifax Hurricanes co-hosting the Gary Field Tournament this year, each team will be required to contribute a set number of volunteer hours to the tournament to help ensure its success.
