U13	1 hour	3	12	12	12	3
U15	1 ½ hour	5	15	15	15	5

- III. Except as specifically amended herein, all periods shall be stop time as per LC guidelines. In Minor Box Lacrosse, the clock shall stop for goals, penalties, time-outs, and Officials discretionary stoppages (i.e. injury) with a minimum two (2) minute break between periods. In U11 the game shall be straight time except that the clock will be stopped for timeouts.
- IV. In U11, U13, U15, and U17 lacrosse, if five (5) minutes before the scheduled end time of the game time slot for league games, there is more than five (5) minutes left on the clock, the clock shall be reset to five (5) minutes and play shall continue in straight time to the end of the game, for each of U11, U13, U15, and U17 box lacrosse. As required, a game may be called at this time if an injury is present and cannot be taken care of in a timely fashion.
- V. In U13, U15, and U17 lacrosse if a goal differential of seven (7) or more goals is present at any time during the game, at the next whistle to start play, the clock will run at straight time. If the goal differential is brought within five (5) goals, the clock shall return to stop time at that time.
- VI. In the event a team is late for reasons outlined in LC Rule 19, the Officials may allow five (5) minutes past the normal start time of the game for the team to arrive unannounced. If the team that has been delayed has contacted the arena directly or via persons within the arena, the official shall provide an additional reasonable delay (up to 30 minutes).

- VII. If less than two (2) full periods of any game have been completed, then, at the discretion of the League Commissioner, the game shall be considered incomplete, and the remainder of the game may be rescheduled for a suitable time.
- VIII. The Rules of Play outlined in this document shall apply to all games sanctioned by Lacrosse Winnipeg (e.g., exhibition, regular season and playoff). Lacrosse Winnipeg retains the right to enhance rules of play.
- IX. The Home team shall use substitute sweaters when there is a colour conflict. When the Home team causes a game to be delayed because of sweater colour conflict, the team shall be assessed a delay of game penalty. If the game remains delayed beyond 15 minutes for this reason, the game shall be forfeited to the Visiting team.
- X. All bench personal (excluding a registered trainer) must be NCCP certified.
- XI. The standardized game length will be extended for the purpose of overtime.
- XII. No overtime shall be played during regular season play.
- XIII. Playoff rules and regulations will be determined and distributed at least one week prior to the first game of playoffs.

2. Enforcement of Offence/Defence Tactic in Minor Lacrosse

- I. The definition of a team using an offense/defence system will be when a team continuously incorporates a system in which a player, or players, are played on one end of the floor only. All players shall remain on the floor for both an offensive and defensive possession in each playing shift. A team will be deemed to have violated the policy if one or more players are found to be only playing in a defensive or offensive possession for more than one playing shift, or if a player, or players show a consistency of playing predominantly in only a defensive or offensive position during the game. The above only applies to all even-strength situations.
- II. At Minor box lacrosse games, only Manitoba Lacrosse may be responsible for determining if a team is using an offence/defence system during the game.
- III. If a team is suspected of playing Offence/Defence, a report may be filed to the league Commissioner to be forwarded to Manitoba Lacrosse to investigate.

3. Rules of Play Modifications

- I. **U11:** All U11 box lacrosse games shall be played in accordance with LC Rules according to LTAD Option X except as modified herein.

- II. **Equipment Measurement:** There shall be no stick or equipment measurement in the U11 division.
- III. **Penalty Maximum:** Any player receiving four (4) penalties in one game shall receive an expulsion for the remainder of the game, not to carry to the next game. A double minor shall count as two (2) penalties toward the maximum of four (4).
- IV. **Intra-oral Mouthpiece:** After one warning to the team, a Misconduct penalty will be assessed to any player who participates on the floor without an intra-oral mouthpiece.

4. Game Sheets
