

Leduc Minor Softball- Team Facility Booking Contacts

Each season the Association provides indoor training in April, as well as great outdoor facilities for May and June.

Any time a team would like to book beyond the provided space and time is at the cost of the team. All team bookings are to be made under the team name account, with payment coming from the team directly to the facility. Most locations require at least 24 hours notice. Please note, the Association is not responsible for any damage done to the facility, this is a team liability. For events or training scheduled by a Leduc Minor Softball team, the registered and approved players and coaches are all insured by Softball Alberta if they are participating in Softball Activities. If you require the insurance certificate, please contact the Facilities Director at facilities@leducsoftball.ca
