

Equipment Lending Agreement:

The MRA Equipment Lending program has been made available through a grant from the Ontario Trillium Foundation. The program is designed to help reduce participation costs and encourage more families to participate in the exciting sport of Ringette.

The success of this program will be determined by the support and commitment of all who participate. Taking care of the equipment while you are in possession of it and returning it in a good clean condition will ensure the continued success of this program.

Equipment rental includes: BNQ approved neck protector, elbow pads, shin pads, shoulder pads, hockey gloves, Ringette pants or hockey pants and socks, and a CSA ringette face mask/cage (which has smaller openings than a hockey mask) Rental equipment program **does not** include a CSA approved helmet and skates.

As participants of the MRA Equipment Lending Program, it is understood that the expectations below will be followed:

- players will wear a t-shirt and long underwear or sweatpants under their equipment,
- equipment will be taken out of the equipment bag and aired out after each use,
- players will ensure all pieces of your equipment have your rental number on it,
- ensure your equipment ends up in your bag at the end of each practice and each game,
- return of equipment, in a good, clean condition. Equipment is professionally cleaned after each rental.

Equipment Fees:

- \$75 annual rental fee
- \$300 deposit cheque, payable to Mississauga Ringette Association postdated to April 1st (at the end of the playing season).
- All cheques and fees are due upon taking possession of the equipment.

The postdated deposit cheque will be cashed if:

- equipment is not returned at the end of the house league season or at the Annual General Meeting end of May,
- equipment is missing or damaged*

*damaged = beyond normal wear and tear and the piece needs to be replaced. MRA will deduct the cost of any damaged or missing equipment from the security deposit and rebate the difference.

If interested in the rental equipment program, please e-mail info@mississaugaringette.com and provide the age and clothing size of your child. Rental program is available at the Come Try Ringette Event held in September or by appointment. **Rental equipment program includes all equipment necessary except for a CSA approved helmet and skates**
