

## Muskoka Ringette Association Sponsorship Application Form

Dear sponsor,

Thanks for your consideration of the athletes who participate in ringette in Muskoka. As a quickly growing association, there are all sorts of opportunities for you to help our players succeed. The money you give to our volunteer non-profit organization goes directly into building a sustainable, healthy organization that promotes fun and friendship on the ice for local children and youth. Sponsorship covers the cost of new equipment, game and practice jerseys, official and coach training and other costs - all of which allows us to keep our player fees as low as possible.

As you consider your support, know that all our sponsors are recognized in a variety of ways. I've listed some of those options on the following page under various sponsorship levels - we love celebrating those who support our players! (Of course, if you choose to remain anonymous, just let us know: we will completely respect your wishes). We are also happy to work with like-minded community partners who provide free or supportive access to equipment and materials that help us keep our costs affordable as well.

Thank you in advance for your support - feel free to print the last page of this letter and send it to me when you decide on your level of support. If you have any questions, please reach out to connect with me - I'm always happy to talk about how great ringette in Muskoka can be for our players and community.

Go Royals!
