# Player Release Policy

Updated March 2026

1. Players will only be released from playing with NWRA with board approval. This includes players who are moving out at A or B levels to join an amalgamated team in another association.
2. After completion of the season for which approval has been granted, the player moves back to their home association, NWRA.
3. Individual player requests will be considered on a case-by-case basis.
