

NCRA Jersey Commitment Form

Each player will be provided NCRA jersey(s) for use during the season. Jerseys are expensive to repair and replace. This form must be completed and provided to your team manager to certify that you will take exceptional care of them and be accountable for them while jersey(s) are in your and your player's possession.

Please take proper care of your player's team jersey(s), by following these four (4) important requirements:

1. Maintain/transport their issued jerseys in garment bags **ONLY**.
2. Jerseys must be hung to dry after washing.
3. ALL Name-bars, Sponsor-bars &/or Captain letters must be removable. Hand-sewn is preferred. If using a sewing machine, the stitch length must be 4 to 5 mm/5 to 6 spi - otherwise removal of the name bar at the end of the year can result in damage to the jersey. (Iron-on is ABSOLUTELY not permitted).
4. At the end of the season, please ensure they are cleaned/washed when handed in to your team manager.

If jerseys are not returned or are returned in poor condition a \$100 fee per missing/damaged jersey will be placed on your player's account that must be paid with your players registration fee the following season. Failure to pay the fee will result in your player not being permitted on the ice.

One parent/guardian signature is sufficient to accept the conditions above for the player. By completing the below, I have read, understand and will comply with the above.
