

OGHA POLICIES & PROCEDURES

PRACTICE ICE

The Ice Scheduler will ensure, to the best of their ability, that all ice time is distributed evenly.

1. Representative teams will be allocated 1hr 20min of weekly ice time.
2. House League / Local League teams will be allocated 50min of practice time with the majority of practice times being shared with another team. The Ice Scheduler will, to the best of their ability, ensure that House League teams receive some practices allocated to their team only.
3. Regularly scheduled weekly practice time may be interrupted by game schedules, tournaments, and non OGHA events.
4. Teams unable to use the ice that has been allocated must inform the Ice Scheduler so that this ice can be rescheduled/reallocated.
5. Any unallocated ice may be booked through the Ice Scheduler.
6. Ice time not booked by the OGHA Ice Scheduler is uninsured ice time with the liability resting with the coach. This must be communicated to parents / guardians informing them that the ice is uninsured and the ice scheduler must be copied on the email. Such ice time will not be deemed mandatory for attendance.

Effective 2018 05 23
