## SMGHL League Play Rules

---

### 1. Schedules:

(a) Once the regular season is set and schedule has been announced, no changes will be made to the Regular season. Teams taking part in tournaments during the regular season must declare these tournament dates prior by September 1, of each season. There will be no rescheduling of games unless mutually agreed upon by both Associations, with consideration to ice availability, referees, etc.

(b) No games will be played during the Christmas Break or through March Break. The March break duration is typically a period of 5 days beginning the Monday of March Break week and ending on the Friday of March Break week. SMGHL does not prohibit games from being played during this period, and centres can schedule games during this period if both associations agree. Note: this might be needed to book cancelled games due to inclement weather.

(c) No games are to be cancelled except in cases of extreme weather situations. The ultimate focus from all association's involved is to ensure player/parent safety at all times and best judgement should be used in all occasions. With that in mind, the following process must be followed immediately upon notification of a game cancellation:

(i) The scheduled Home team is responsible for immediately cancelling the game, by sending an email to [cancellations@bwha.ca](mailto:cancellations@bwha.ca). In this email, please include the following game information – date, time, home team, visiting team and contact information.

(ii) Following that email being sent, both the home and away team should communicate the cancellation to their respective league liaison, who in turn should communicate this cancellation with the SMGHL chair. At this time the email should be sent to: [youthhouseleague@bwha.ca](mailto:youthhouseleague@bwha.ca).

(iii) An email will then be sent to the team contact for each of the home and away teams, notifying them of the cancellation. It will be the responsibility of each team to communicate the cancellation to their respective teams. All teams should have the contact information for all the SMGHL teams.

(iv) Upon a cancellation of a game, it will be updated on the OWHA SMGHL schedule on the OWHA website at [owha.on.ca](http://owha.on.ca) or other designated website (hereinafter referred to as the “**Website**”) and the appropriate association liaisons will begin to work towards finding a suitable replacement date for that game.

(v) Once the two association liaisons agree upon a suitable makeup date/time for the cancelled game to be played, they will notify both respective teams and

youthhouseleague@bwaha.ca. The game will then be re-entered on the Website and each team will receive an email notification.

(d) Game cancellations for any reason other than weather related issues are not permissible except under exceptional circumstances. The team making the request must provide the opposing team a minimum of 48 hours notice failing which the game will be forfeited. The requesting team must email [youthhouseleague@bwaha.ca](mailto:youthhouseleague@bwaha.ca), the teams affected, the house league directors of the respective centres and provide explanation of the request. Those parties will discuss the reason for the requested cancellation and will make a determination as to whether or not the game will proceed at a later date or will be forfeited. Anything with less than 48 hours notice will not be considered.

(e) The Regular season start date will be determined at the season planning meeting (Annual Meeting) and will be no later than the first weekend of October.

(d) All U9 division games played on full ice after January 15 or the date imposed by the OWHA, will consist of 10-10-12 stop-time periods

(e) If a goal differential of 5 (or greater) is reached during the game, the score board will reflect a score of 5 until the differential is reduced to less than 5 or until the game is complete.

### **4. Call Up Players / Goalies:**

(a) A call-up **player** is only allowed if a team has less than 10 skaters available for game play. (*Example: A team has 8 skaters available to play a scheduled game they may only call up 2 players to round their game sheet to 10 skaters*). A team may play with a minimum of 8 players. Teams should try to call up from their own association wherever possible.

(b) A call-up **goalie** will be applicable whenever a team is void of a goalie for any game. The call-up can be from another team in the same division, from within the same Association or from a participating Association.

(i) Use of other Association goalies is permissible during regular season and playoff games. This should be applied only when the impacted Association cannot acquire a call-up goalie from within their own Association. When a goalie from another Association is to be used, permission is required by the affected Association House League Convenors.

(c) Call-over players are NOT allowed in the U11, U13, U15, and U18 within the same association or other associations. The exception to this is U9, as they do not have a lower division to call up from.

The actual time used to determine the curfew will be the clock within the arena, not a person's watch or other method of time. The game clock will start at 13 minutes, immediately following the nets being pegged and set by the on-ice referees. A 30 second warning buzzer will sound at 10mins 30secs and the game clock will continue to run after the 10minute mark if players are not lined up and ready to take the opening faceoff.
- (f) All regular season and playoff games will consist of 3 stop time periods (10-10-12) and are again subject to a curfew in all association arenas.
- (g) It will be important for all teams (coaches and managers) to communicate this to their respective parent group, in an effort to avoid any communication, cat calling or arguments from fans and spectators. It will be equally important for all association liaisons to ensure their referees and timekeepers are aware of this process and adhere to it.

(a) If the colour of both the Home and Away team is identical or too close in colour, therefore creating a possible conflict, the Home team will be responsible for ensuring they have a secondary coloured jersey to wear. Each Home team should check the schedule prior to the game to help avoid any conflicts. If the Home team does not have a secondary colour, they should make arrangements to acquire a set of jerseys from their respective association or reach out to the Visiting team to see if the Visiting team has a secondary colour they can wear (Example: Home team is White and Visiting team is White – the Home team must find a suitable colour alternative for their jerseys, for that game).

## 10. Trainers

(a) If a team's trainer is not available for a game all reasonable efforts should be made by the team to have a rostered trainer on the bench. They must also advise the game officials of this agreement prior to the start of the game.
