To Whom It May Concern.

The Red Deer Rustlers have a long history of competitive spring hockey teams in Central Alberta. This Spring season we will be running 10 teams ranging from 2010 to 2017 born players.

The purpose of this program is designed to allow young, highly skilled hockey players to develop and play in a peer group of similarly skilled players. This opportunity may not exist for some players in their local communities.

Teams are currently fundraising for tournament fees and development costs associated with their team. We are asking for corporate sponsorship, with donations recognized by a team photo for you to display.

As you can appreciate this is a challenging time for fundraising and businesses in general. We thank you in advance for your consideration.

Should you choose to support the team please complete the form below and return a copy of this form with a cheque payable to the respective team.

Thank you again for your consideration,
