## **Drill**

## **Drill: Memory Chain**

Goal: -Improve players' focus -

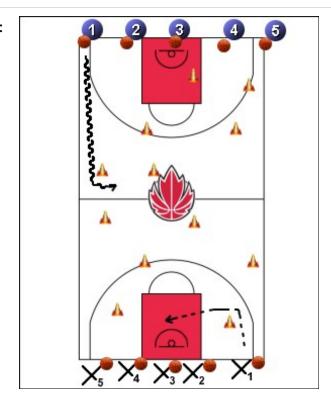

Improve players' ball handling

skills

Equipment/# players needed:

-Ball for every players -Pylons

Sketch:

## **Description:**

- The group spreads out along the respective baselines; each player has a ball
- The first player must dribble to the pylon and perform a ball handling action (i.e. around the neck,

around the waist, etc), and then dribble and score a basket

• The second person must go to the first pylon and repeat what the first player did and then go to a

second pylon and perform a new task

• Each successive player must remember what the players in front performed
