Code of Conduct – SPFHA Team Staff

1. When it is determined that a coach or manager has committed an intentional violation of the rules concerning use of an ineligible player, the following actions will be implemented.
 - a. In the case of a travel team, the OWSHA guidelines for discipline will be applied.
 - b. In the case of a house league team, the following penalties will apply:
 - First violation – three game suspension for the coach and/or manager.
 - Second violation – one year suspension from the date of infraction for the coach and/or manager.
 - All games in which the ineligible player participated will be forfeited to the opposing team.
2. No personal arrangement or agreement may be contracted or carried out between persons involved in the SPFHA that are contrary to the Association's constitution, bylaws and policies or to any duly passed motions of the Board. Any person who violates this section will be subject to discipline on review by the Board.
3. Any coach or manager that does not co-operate in returning team uniforms and/or equipment to the Association shall be subject to sanctions as determined by the Board.
4. For the Houseleague program, it is the responsibility of every head coach to ensure that each player on his/her team receives equal ice time, regardless of ability. If a team dresses two goalies for a game, each goalie must receive relatively equal playing time for that game. One goalie will play the first period, the other the third period. Both goalies will split the second period evenly. In the Novice Division a coach is not permitted to pull the goalie in the time remaining at the end of a game for an extra attacker.
5. A head coach who does not adhere to the policy regarding equal ice time for his/her players' in houseleague will be suspended for one (1) game at the discretion of the Vice President of Houseleague, for the first violation. A head coach committing a second violation is subject to suspension for the remainder of the regular and playoff season, at the discretion of the Vice President of Houseleague or the Board of Directors.
6. The head coach of a Novice or Houseleague team must notify the Vice President of Houseleague or designate, before November 1st of the current season, of any tournament(s) that they wish to participate in.
7. All coaches and on-ice personnel must properly wear CSA approved hockey helmets when on the ice for SPFHA related activities. Persons under the age of sixteen (16) must wear full equipment when on the ice during SPFHA activities. This includes entering the ice as an on-ice assistant for another team.
8. Team personnel are not allowed to transport players in their vehicle unless accompanied with another member of the team staff or their own child.
