

TRA Jersey Policy

1. TRA players may purchase their own jerseys or provide a refundable deposit set by TRA to wear the jerseys for the season. Players may reuse purchased jerseys until the jerseys are too small or worn out.
2. Each Player is required to have a Home & Away sublimated jersey. (mandatory for U10-U19 any R4 U age advanced players to U10).
3. For purchased jerseys, players may select a number. If available, it is their number if still in the sport, until that particular age group/birth year leaves the system. This means a player born in 2009 will have their number reserved until the end of the 2027-2028 season. Ex Player is #3 at U12 club level and then makes AA plays two seasons at AA, returns to association level the following season their number 3 is theirs. If a player wishes to change numbers (if the number is available) they will be required to purchase a new jersey. This can only be done at the beginning of the season.
4. If a player leaves the sport for any time, their number is not guaranteed if they return to the sport.
5. Jerseys cannot be worn on a team where the number is already assigned.
6. Anyone wishing to sell purchased jersey needs approval from TRA.
7. Jerseys must fit properly, be in good shape- ie have no rips, torn seams, not faded etc.
8. Jerseys, whether purchased or given with refundable deposit, are the responsibility of the players. Lost Jerseys are to be replaced by the players. Any jerseys secured by deposit not returned promptly at season-end or in the same condition as received will result in loss of deposit.
9. TRA mandates the Jersey be presentable and replaced if required at the cost of the player.
10. Coaches will be responsible for the spare Jerseys provided by TRA. A team deposit will be required at the beginning of the season. Spare Jerseys to be used for TP players or if a player forgets their jersey. They are not to be used by one player for the whole season. Unless permission has been granted by TRA.
11. Players without a jersey will not be able to play in league games, unless

approved by TRA.

13. Cheque Deposit for rented jerseys are required at the time the jerseys are distributed.

14. Jerseys are non-refundable if purchased.

Once a player is assigned a number that number will not be available until that player does not overlap with birth year.

2. Numbers will be assigned based on order of Paid Registration for the season.
3. Request for numbers will be done at registration online.
4. If numbers are not picked or numbers picked are not from block assigned, TRA will assign a number to the player.
