AT NO time are Coaches, Managers, Players, or Scorekeepers allowed to smoke, vape, chew tobacco, or drink alcohol on the playing field, bench or within sight of any official during player warm-ups or during the game, as per a municipal bylaw. If an official smells alcohol or cannabis on these persons(s) before or during the game, they will be ejected and subject to suspension.
- B. Coaches must wear suitable clothing (no cut-offs, short pants, or muscle shirts) when on the playing field or bench during the game. Any coach refusing to wear appropriate clothing will be ejected from the game and subject to suspension.
- C. If a coach is ejected from the game, they must leave the playing area and not be able to coach or be seen by an umpire.
- D. Coaches are the designated representative of their team and must control or prevent any disrespectful or disruptive behavior by their players/parents/spectators which is directed toward an opponent, umpire, or a spectator.
- E. Umpire abuse, from coaches, players or parents will not be tolerated and subject to suspension.
- F. Disciplinary action by WMB against any coach, team, or player will follow the discipline penalty chart from section 9 of the Baseball Manitoba handbook.

- G. All submitted umpire ejection reports will be reviewed by the WMB Chair and WMB Umpire in Chief to determine if supplementary discipline is required. The suspended person and the League President of the offending team will be notified by WMB of any supplementary discipline.
- H. Any person suspended by WMB may appeal the suspension by filing a written appeal within 48 hours of suspension. A committee will be setup to hear the appeal. All appeal decisions are final.
- I. Any concerns or feedback regarding umpire conduct or performance must be submitted in writing to the WMB Umpire and Chief. The WMB Umpire in Chief will follow up with the umpire(s) in question and the League Umpire in Chief of the umpire(s) in question.

2. Player / Coach Registration

- A. Teams may play with less than nine players at the start of a game (Regular Season and WMB playoffs only).
- B. The minimum safe number of players is seven (7) for any one team. If a team believes they will have less than seven players, the team should consider rescheduling.
- C. **Defaults: Occur when a team has less than seven players.** Defaults are scored as a 7-0 final score.
 - WMB encourages coaches to share players where possible in the event of a default so that an exhibition game can still be played.
 - The assigned umpires are not obligated to work an exhibition game.
- D. **Forfeits: When a team does not show up for a game without any prior reason.** Forfeits are scored as a 7-0 final score, and the League Convenor will decide if a game is to be recorded as an official forfeit.

- The coach must wear at least a mask and any player must wear a mask/helmet combination in all warmup situations (Baseball Canada 2018 Rules Interpretations 1.17)

- F. A pitcher is not allowed to wear a white or grey long sleeved undershirt.

11. Batting (11U A thru 18U A)

- A. All players of a team are part of the continuous batting order for each game.
- The batting order will be set by the coach at the beginning of the game and may not be changed.
 - The first nine (9) players listed on the lineup sheet do NOT have to be the starting nine (9) players that start on the field.
- B. Coaches can make unlimited substitutions on the field at any time.
- C. When a player leaves the game for any reason, including injury or illness etc., the players' spot in the batting order is skipped without an out being recorded. **The umpire and opposing coach must be informed immediately after the player leaves and before their turn at bat.** This player can re-enter the game.
- D. If a player is ejected, their spot in the batting order is skipped without an out being recorded. This player may NOT re-enter the game.

12. Batting (11U A Soft Toss)

- A. No walks will be issued at 11U A. After four (4) balls have been called by the umpire and all play has ceased:
- The umpire will call time
 - A coach positioned outside the base lines will soft toss to the batter.
 - The strike count continues where it was at the time of the fourth ball (Example: if the count is four (4) and one (1) strike the batter may receive up to two (2) soft tosses.

- Not swinging at a soft toss counts as a strike.
- **A batter cannot strike out on a foul ball.**
- For safety during the soft toss, the player at the pitcher position will be on the pitching rubber or directly behind it.
- Alternatively, instead of soft tosses, the player may have one (1) swing at a ball on a tee (if available) with the tee placed by the coach over home plate, so the upright part of the tee is just in front of home plate.
- The furthest a batter can advance when hitting soft toss or off the tee is first base. Play is live and the hitter can still fly out or be thrown out.
- Any runners already on base may advance as normal on a soft toss hit at their own risk.
- Bunting the ball on a soft toss or off the tee is prohibited.

13. Batting (18U AA)

- A. All players are to be listed on the lineup sheet.
- B. Only the starting nine (9) players are to be included in the batting order
- C. The re-entry rule is in effect for the WMB regular season and playoffs. It cannot be used for an ejected player but can be used to replace an injured player. The last player removed from the game can re-enter for the injured player. The umpire must be informed of the injury. The injured player cannot re-enter the game.
- D. A designated hitter is listed as DH and the pitcher must be listed on the lineup sheet in the number ten (10) spot.
- E. **Extra Hitter Rule:**
 - Prior to the beginning of each game, the coach may elect to add a tenth (10th) hitter to the batting order. The player will be indicated in the lineup as the “EH”. The EH cannot be added to the lineup once the game begins.
 - The EH will be treated as any other starter and cannot be eliminated during the course of the game. If a team starts with ten (10) players, the team must finish with ten (10) players. Penalty shall be a forfeit.
 - The EH may appear in any spot in the lineup.

- The EH will now be considered a defensive position and eligible to be switched between any defensive position provided they stay in the same spot they started in the batting order, and since the EH is a starting player, the re-entry rule would also apply to the EH position.
- The purpose of the EH is to replace a position player allowing the replaced player to come off the field to warm up for pitching.

14. Baserunning

- A. Courtesy runners are acceptable for the catcher when there are two outs. Courtesy runner should be the last recorded out.
- B. Contact rule for all players is in effect. Runners are instructed to avoid making contact with a fielder. Malicious contact is to be penalized whether committed by an offensive or defensive player. Please refer to the Baseball Canada Contact Rule 6.01 (6.05) for details.
- C. Leadoff and Stealing Chart:

	11U A	11U AA	13U A

**Runners at 3rd base must be batted home or forced by means of a bases loaded walk or hit by pitch. They cannot advance on a passed ball, wild pitch, pickoff attempt (unless ball goes out of play) or overthrow on a stolen base. If a runner reaches 3rd base by means of a batted ball they may continue home as a continuous part of the play. They do not have to stop at 3rd and wait for the next play. The intent of this rule is to promote hitting the runner home.

***Bunting and Intentional Walks at the Baseball Manitoba 11U A / AA and 13U A Provincials are prohibited.

15. Pitch Count Regulations

11U + 9 year olds	13U	15U	18U	22U	Rest required
1-25	1-30	1-35	1-40	1-44	None
26-40	31-45	36-50	41-55	45-60	1 day
41-55	46-60	51-65	56-70	61-75	2 days

66-75	76-85	81-95	86-105	91-115	4 days
75	85	95	105	115	Total Pitches Allowed in a Day

- A. In the interest of good sportsmanship and for the benefit of all players, an opposing coach, scorekeeper or other official should inform the opposing coach before an infraction occurs.
- B. Pitchers and managers shall follow the pitch count and rest rule guidelines of the Baseball Manitoba pitching chart - Refer to the supplied pitch count book or the **Baseball Manitoba handbook – Pink Section - APPENDIX VI – Pitch Count Rules for Pitch Count Regulations.**
- C. Age advanced rostered players must be identified before the game. These players are restricted to the number of pitches for their age group and not to the age group of their team. Thus, a 15U-aged player age advanced and rostered to 18U is restricted to the pitch count for 15U. (the exception is a Grand Slam player advanced to 11U who may pitch to the 11U limits)

D. T.P. (temporary players also known as call-ups) are not allowed to pitch.

E. Intentional Walks

- Only pitches thrown will be included in Pitch Count totals (New intentional walk rule excludes pitch count when a player is intentionally walked)
- Automatic balls during an intentional walk do not count towards Pitch Count totals.
 - Example: if during a count of 2 balls - 0 strike, a team signals to the umpire that a batter will receive an intentional walk, only 2 pitches will be counted for pitch count

F. A pitcher who is removed from the mound during the game shall not be permitted to return to pitch in the same game, even if the pitcher is retained in the game in another position or the game is suspended and resumed on another day.

G. A coach who violates the pitch count regulations will be subject to a one-game suspension. Any subsequent violations will result in penalties as per disciplinary guidelines in the Baseball Manitoba Handbook.

H. All pitches, regardless of regular season, tournaments, or high school play, must be recorded in the Baseball Manitoba Pitch Count App.

I. Pitchers are allowed to finish the batter even if their maximum pitch limit for any threshold is exceeded during the at bat. However, the coach must notify the umpire prior to the pitch count being exceeded. The pitch count then will be recorded as the maximum for that threshold limit. For example, a 15U player has 50 pitches. The coach can declare to the plate umpire and pitch counters for both teams that this is the final batter. He finishes with 54 pitches, but only 50 are recorded and that player is removed from pitching.

16. Baseball Manitoba Pitch Count App (To be updated with new app for 2026)

17. On-Field Coaching (11U A Only)

A. Only 1 defensive coach allowed on the field of play, positioned in shallow center field and to remain still while the pitch is being delivered and to remain still until the end of each play unless avoiding a ball in play or fielder attempting to make a play. Violation shall result in a warning for the

first offense and for a subsequent offense, instruction to return to the bench for the remainder of the game, no substitute coach shall be allowed on the field for the remainder of the game.

- B. At all times each team must have at least one coach on the bench, if the team only has one coach, then that coach is not allowed on the field during defensive play.
- C. The on field defensive coach is prohibited from engaging the umpires in any manner; all interactions with the umpire during defensive situations must be respectfully addressed by the manager. Violation shall result in the ejection of the offending coach from the game.
- D. The on-field coach shall not physically assist / restrain a player or in any way impede or interfere with an active play. Violation for such actions will result in the coach being ejected from the game, time being called and the umpire placing runners where in their judgment the runner(s) would have reached if the play had been allowed to continue.
- E. The intent of allowing a coach on the field in defensive situations is to help with skill development and improve the pace of play by communicating expectations to players more efficiently. The on-field coach shall not delay the game in any manner. The umpire shall maintain pace of play and instruct coaches to return to their position in the outfield when necessary. Coaches who in the judgment of the umpire persistently slow the pace of play shall be instructed to leave the field and return to the bench, no substitute coach shall be allowed to return to the field for the remainder of the game.
- F. Visits to the mound or off mound conferences with the pitcher shall be considered a visit to the mound and as per the regular rules of baseball, a subsequent visit to the mound by any coach shall result in the pitcher being removed from that position.
