**Keith Jorgensen
Memorial
Tournament**

Lethbridge and Area

October 4 to 6

About Keith Jorgensen...

Keith was a tireless worker for baseball in Alberta. He coached numerous youth teams as well as holding many executive youth baseball positions. He was instrumental in the development and success of the Prairie Baseball Academy. Keith was passionate about giving all kids a chance to play baseball. He was concerned about the success of the baseball programs in smaller centers, as well as the achievements of baseball in larger locales.

This baseball event fits well with Keith's baseball vision. The tournament will be a round-robin affair, with the emphasis on getting competitive games for all entrants. The tournament will have at least two tiers, and it is hoped that this event will pay tribute to all Keith's baseball involvement.

Many thanks to Prairie Baseball Academy and the Lethbridge baseball community for hosting the tournament and to the volunteers and umpires assisting with the weekend event.

We encourage everyone to cheer on their team and display sportsmanship and respect the game.
