At this time, we would like to give thanks to the creator for giving this medicine to the Iroquois / Haudenousnee (people of the longhouse), for them sharing this medicine with the world. We would also like to give thanks to all First Nations, Metis, and Inuit as we all sit in their territories, we say thank you. We say thank you Creator for giving us mother earth, she then gave us the tree in which our sticks are made from. This is the true roots of the medicine we call lacrosse today.

8. 2023 Financial Review- Director of Administration

Yearend financials were received from auditors November 1st, so they haven't been approved by the Board, so you may want to table approval of this until a Special Meeting.

Why are we not sending teams to Nationals at U13 and U15? We're the only province who doesn't.

Decision to do that was made years ago, but will it be re-visited now that sectors at LC have turned down the LTAD proposal? No, we're sending U13 and U15 teams to regional championship starting in 2024 with the Prairie Cup.

ALA needs to communicate its stance on provincial teams and participating in national championships better to membership, so they understand why U13 and U15 teams aren't sent.

Officials Provincials line- Why has it increased \$25+ when ALRA has \$24,550 recorded for provincials.

11. 2022 Bylaw Change Proposal Introduction

Discussion

Introduction of bylaw proposal that was first introduced in 2019. Is this document the starting point? Why aren't we using the current bylaws as a starting point? Fair point, we can. This document may not be where we go, just sharing the previous work that was done.

The document presented is a huge departure from where our bylaws are currently at. The red lines aren't the only changes. The membership needs to read these in their entirety.

This was included on the AGM to start the process of review.

Given this is such an important document we should seek outside consultation.

Motion for the ALA to seek external consultant to lead bylaw update and report back to membership when we have information.

Motioner- Greg Mundy

Secunder- Keith Berg
