2003	Head coach Girls Midget Box team
2005-2008	ALA President
2008	CLA Vice President of Administration

Tom has contributed at the local, provincial, and National level. Tom's contributions to the ALA have been invaluable. It was he who took on the responsibility of reviewing and revising the ALA and the GELC bylaws. He has been a contributor to many discussions of the ALA with the objective of making lacrosse better in the Province of Alberta. He has promoted the Girls only Box Lacrosse Program and has been instrumental in the Hobbema project for Aboriginal development. He has spent numbers of hours dealing with issues that come up in the world of lacrosse where others have walked away from. One such issue is the CLA (Canadian Lacrosse Association) transfer policy wherein, this policy made it more difficult for other provinces to recruit top Alberta players to compete for the Jr A Minto Cup. Tom has served as the CLA Appeals chair and has now moved to the CLA Executive. During the regular season Tom can be found at least one arena in the evening and in the off season at one meeting or another. Tom has been a great friend to this game and as such should be recognized.
