1.0 OVERVIEW

This policy is to keep our U18 aged players, who can legally drive, safe in the event of a concussion or injury during a game or practice. Players who are of the legal driving age are to follow this policy.

2.0 POLICY

2.1 For Practices:

Players will be allowed to drive themselves to and from practices within Airdrie if they live in Airdrie. Caution should be taken if a player sustains any injuries during the practice. In that case a parent should be contacted before the player leaves the arena.

2.2 Home Games:

Players will be allowed to drive themselves to and from home games if they live within Airdrie. Caution should be taken if a player sustains any injuries during the game. In that case a parent should be contacted before the player leaves the arena.

2.3 Away Games:

Players are NOT permitted to drive themselves home after an away game. It is recommended that a parent drive the player home or set up arrangements for the player to travel to and from a game with another family if required.

3.0 ACKNOWLEDGEMENT OF THE POLICY

By signing below, I acknowledge that AMHA will not be held responsible if my son/daughter chooses not to follow the policy as stated above.
